Thank you for visiting our website. Your privacy is important to us, and we are committed to being transparent about the data practices related to our site. This Privacy Policy explains how we handle any personal information that may be indirectly collected through our website.

1. No Direct Collection of Personal Data

Our website does not directly collect, store, or process any personal data from visitors. We do not use cookies, tracking technologies, or any other method of gathering personal information on this site.

2. Third-Party Service Providers

To ensure the security and performance of our website, we use **Cloudflare**, a third-party service provider. Cloudflare may collect certain information automatically as part of its security and content delivery services.

Information Collected by Cloudflare

When you visit our website, Cloudflare may log certain information about your access to our site, including:

- **IP address**
- **Timestamp of access**
- **Browser and device information**

This data is collected and processed by Cloudflare to protect our site from malicious activity and to ensure reliable access for all visitors.

For more details on how Cloudflare handles this data, please review Cloudflare's Privacy Policy.

3. Purpose of Data Collection by Cloudflare

Cloudflare collects this access data solely for:

- **Security purposes** (e.g., detecting and preventing cyber attacks)
- **Performance optimization** (e.g., ensuring website availability)

We do not have access to this data directly, nor do we use it to identify individual visitors.

4. Data Sharing

We do not share any personal information about visitors with any other third parties. Cloudflare may share data it collects only as specified in its own privacy policy.

5. Your Rights and Choices

Since we do not collect personal information directly, there are no data access, correction, or deletion rights applicable to data collected by our website itself. However, if you have questions about Cloudflare's data handling practices, you may contact them directly through their privacy policy link provided above.

6. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or relevant legal requirements. We encourage you to review this policy periodically.

7. Contact Us

If you have any questions or concerns about this Privacy Policy, please contact us at contact@alldna.co.uk
